

Gale Databases for the Williams Library, as of October 2009

General OneFile 1980 - OCT, 2009

A one-stop source for news and periodical articles on a wide range of topics: business, computers, current events, economics, education, environmental issues, health care, hobbies, humanities, law, literature and art, politics, science, social science, sports, technology, and many general interest topics. Millions of full-text articles, many with images. Updated daily.

Academic OneFile 1980 - OCT, 2009

Academic OneFile is the premier source for peer-reviewed, full-text articles from the world's leading journals and reference sources. With extensive coverage of the physical sciences, technology, medicine, social sciences, the arts, theology, literature and other subjects, Academic OneFile is both authoritative and comprehensive. With millions of articles available in both PDF and HTML full-text with no restrictions, researchers are able to find accurate information quickly. Includes full-text coverage of the New York Times back to 1995. Updated daily.

Health Reference Center Academic 1980 - Oct 2009

Multi-source database provides access to the full text of nursing and allied health journals, plus the wide variety of personal health information sources in InfoTrac's award-winning Health Reference Center. All in a single, easy-to-use database, the material contained in this database is intended for informational purposes only.

General Business File ASAP 1980 - Oct 2009

Analyze company performance and activity, industry events and trends as well as the latest in management, economics and politics. Access to a combination of broker research reports, trade publications, newspapers, journals and company directory listings with full text and images available.

Gale Virtual Reference Library

Gale Virtual Reference Library is a database of encyclopedias and specialized reference sources for multidisciplinary research. These reference materials once were accessible only in the library, but now you can access them online from the library or remotely 24/7. Because each library creates its own eBook collection, the content you see may vary if you use the database at different libraries (your school, your public library, or your office).

Educator's Reference Complete 1980 - OCT, 2009

Educator's Reference Complete is a selection of more than 450 full-text academic journals, hundreds of full-text reports, and many premier reference sources. Included content focuses on educational principles, child development and psychology, and best practices in education. Majority of the full-text titles included are also found in the ERIC database. The database is updated daily and provides 24-hour access from school or home.

The New York Times

Search the full text of The New York Times (starting in 1995).

Expanded Academic ASAP 1980 - Oct 2009

From arts and the humanities to social sciences, science and technology, this database meets research needs across all academic disciplines. Access scholarly journals, news magazines, and newspapers - many with full text and images!

General Reference Center Gold 1980 - OCT, 2009

A general interest database that integrates a variety of sources - newspapers, reference books, magazines, and trade publications. Find articles on current events, popular culture, business and industry trends, the arts and sciences, sports, hobbies, and more.

Massachusetts History Online

Contains full-text articles gathered from almost 50 sources that directly relate to MA history.

Student Resource Center - Gold

Student Resource Center - Gold offers easy access to award-winning content based on national curriculum standards. Covering all core curriculum areas, including history, literature, science, social studies, and more, SRC - Gold provides a premium selection of reference material, more than 1,100 full-text periodicals and newspapers, primary sources, creative works, and multimedia, including hours of video and audio clips and podcasts. Premier reference content includes the American Journey Series, American Decades, Career Information Center and the SRC Health Module. New to the database are Lexile reading levels for periodicals, an integrated national and state curriculum standards search with content correlated to the standards, and popular topic picklists.

For Middle Schools only.

Opposing Viewpoints Resource Center OCT, 2009

Opposing Viewpoints Resource Center is a one-stop source for information on today's hottest social issues. Drawing on acclaimed series published by Greenhaven Press and other Gale imprints, OVRC features viewpoint articles, topic overviews, full-text magazine, academic journal, and newspaper articles, primary source documents, statistics, images and podcasts, and links to Websites. New to the database are Lexile reading levels for periodicals and an integrated national and state curriculum standards search with content correlated to the standards.

Student Edition

Now with over 1100 titles, cross searchable with E-Books, this periodical database is designed for high-school students with access to a variety of indexed and full-text magazines, newspapers, podcasts, and reference books for information on current events, the arts, science, popular culture, health, people, government, history, sports and more.

Biography Resource Center: African Americans OCTOBER, 2009

Biography Resource Center: African Americans offers narrative and thumbnail biographies about notable African Americans from the respected Gale sources available in the Biography Resource Center. Enhancing the reference content are full-text periodical articles, websites, and recent update news briefs. Search on name, personal facts such as birth/death dates and place, occupation, and gender, or combine criteria to create a targeted custom search.

Kids InfoBits Sep 2009

Kids InfoBits is a database developed especially for beginning researchers in Kindergarten through Grade 5. Featuring a developmentally appropriate, visually graphic interface, the most popular search method is moving from a broad subject to a narrower topic using the subject-based topic tree. The curriculum-related, age appropriate, full-text content is from the best elementary reference sources and magazines. This database covers geography, current events, the arts, science, health, people, government, history, sports and more.

Biography Resource Center OCTOBER, 2009

This database integrates award-winning biographies from respected Gale sources with related full-text articles from hundreds of magazines and newspapers, as well as tens of thousands of images and links to vetted websites. Search for people--both current and historic from all eras and fields of

endeavor---based on name, occupation, nationality, ethnicity, birth/death dates and places, or gender, as well as keyword and full text. Or, combine search criteria to create a highly-targeted custom search.

Contemporary Literary Criticism - Select Oct 2009

Contemporary Literary Criticism--Select is an extensive collection of more than 11,000 critical essays on contemporary authors. Each CLC--Select entry contains a biographical/critical introduction, a list of principal works, critical essays, and sources for further study. Updated monthly, Contemporary Literary Criticism--Select allows users to search by author name, title of work, nationality, subject/genre, ethnicity, critic name, and more.

Junior Edition - K12

Now with over 330 titles, cross searchable with E-Books, this periodical database is designed for students in junior high and middle school with access to a variety of indexed and full-text magazines, newspapers and reference books for information on current events, the arts, science, popular culture, health, people, government, history, sports and more.
